ABOUT HIFZ -UL-QURAN PROGRAM

The Prophet Mohammed (SWA) said that “Whoever recites the Quran and practices upon its injunctions, the reciter's parents will be given a crown on the day of Qiyaamat. The brightness of that crown will be more intense than the brightness of the sun in your actual house.” And the Prophet Mohammed (SWA) continued, “What do you think will be given to the Hafiz of the Quran himself?” You see parents sending your child to the Hifz Program will not only reward your child, but it will also reward you in the day of Qiyaamat.

The Prophet Mohammed (SWA) also said that “Anyone who knows the Quran by heart and follows the lawful and the prohibited according to it, he will be sent to Heaven by Allah.” The Prophet Mohammed (SWA) continues “One who knows the Holy Quran by heart will be allowed to intercede for ten persons with success. But one should mention that the intercessor must be practicing the laws mentioned in the Quran and fulfilling all the demands of the Book of Allah.” Going to the Hifz Program and completing it properly means that your child has a spot in heaven and he can make a spot for you too.

So I encourage you to send your child to the Hifz Program because your child and you will live a wonderful life in the next life.

Sincerely
Qari Meer S Hossain
Principal

Admission Policy

To get admitted to Hifz school students will be tested by their teachers based on their Holy Quran reading (Nazrana).

Before being admitted to the Hifz Program, students need to know Makhras (pronunciation of Arabic letters) and Nazrana (Quran Reading). They will be tested on this by the teachers.

The student should be prepared for the Nazrana and there will be a probation period of few months. In which the student's learning ability and aptitude will be judged by the teachers.

If he passes Nazrana (Quran Reading), we will start Hifz Program. It will take a total of four years completing the Hifz Program Inshallah.

Our Hifz Program includes Schooling. Our students have to have good grades in academics when they are admitted to Madrasa.

Before admission to Hifz Program, parents need a strong commitment and an excellent family support.

If you and your child (children) agree to our rules and regulations then it will be an honor to have your child (children) in our Hifz Program, we hope to see your child (children) in the program.
